1. Action will be taken to comply with the guidance provided in the reference, which was discussed in some detail at the Base Chiefs' Meeting on 10 July.

2. We assume that Paragraph 8c does not have the effect of reducing our TVA by 40 vehicles. Rather, the requirement is to reduce by 40 the number of passenger Sedan/Station Wagons owned by KUBARK. We will, of course, continue our systematic efforts to reduce the total Station TVA and report progress in the annual TVA report.

3. We further assume that the delegated authority to laterally transfer vehicles among the [REDACTED] Bases in the interest of best utilization is not affected by reference so long as procurement of new vehicles is not involved.
